

Industrial Equipment for Waste Treatment - Floating Mixer

Applications:

- Industrial Waste water treatment

Main features of Floating mixer:

- > Energy efficient design.
- > It has a well designed S.S. impellar & diffuser provides good pumping of water; and directs out water into the pond bottom to ensure throughout mixing of waste liquor.
- > It has pumping flow rates 30% higher than most other mixer.
- > Its diffuser is constructed with heavy duty stainless steel, thus more heavier resulting minimum vibration.
